

Spring Newsletter – A Spring in our Step

Chilly mornings and frosts are behind us and the warmer weather is approaching.

Pack away the chainsaw and bring out the lawnmower. With the slow grass growth reprieve nearly over it's time to give your lawncare equipment some TLC with an annual service. Stock up on supplies like trimmerline, oil and safety gear.

See the 'Specials' listed to help you prepare your garden equipment.

New News

Recently we have completed our new modern Website with a comprehensive product list, lots of information, vouchers, specials and video's. We would love you to take a look and feel free to provide feedback on your thoughts. Visit www.nubanmowers.com.au

Some information about the services we provide you may not have known about us.

For personal and business customers we have **Finance** options available to ease that purchase decision. Ask us in-store for details.

If finance isn't an option, we can also set up **Lay-by** on purchases with a payment plan.

Our focus is quality, timely, efficient service with satisfaction guarantee.

Special Notes

- Christmas Lay-by available
- Finance Available
- Information Evening – Date to be confirmed
