Cooler Weather is upon us

Autumn is here, although a very late Summer brings us a prolonged mowing season which we haven't seen in many years.

As the weather cools, dust off the chainsaw for those piles of fire wood that need cutting. Take advantage of preparing your Chainsaw with our 'Cracker Special' and 10% off all Chainsaw accessories in store.

News

This year Nuban Mower Centre will be at the Mudgeeraba Show with a equipment displays, promotional specials & much more. We look forward to seeing you there.

New Product

BigDog Mowers are a new addition to our product range. Just this month we have become the new Dealer of the Power-Up Lawncare Zero-Turn mowers which are imported into the Australian market from America. A quality machine, they boast features tough for our climate & conditions. They are a very competitive machine on the market against other zero-turn riders.

Check out the machines in our showroom or call Col for more information.
